Hello!

All the staff are very much looking forward to welcoming you to Oasis Sholing!

It has been an unusual time while you have been at home, the world has been changing and we have had new ways of living to get used to.

Coming to our school will feel different for everyone and we want to hear from you about what you think. You are the expert on you!

This booklet has some questions that will help us prepare ways to make your arrival feel as easy and as successful as possible.

All the questions are **optional**. Answer them all, just a few or draw us a picture...

We will love to read anything you tell us, have a go but don't worry if you can't.

There is a space at the end for your parent/carer to fill in if they want to but again, don't worry if you don't.

Thanks for reading and see you soon!!
