

Dear

I am very much looking forward to meeting you in September and welcoming you to Year 7 and I am sure you are excited to make this next step.

Pastoral support at Oasis Sholing

I am pleased to inform you that you will be a member **7** ____ of with _____ as your tutor. Within this pack, you will find an introduction from your tutor, Miss Masters (Year Group Mentor) and myself (Head of Year). Please could you fill in the 'All About Me' booklet ready to bring in on your first day in September to help your tutor and other key members of staff to get to know you. This will be the first step of building relationships with your teachers and will help support you as you move from primary to secondary school. I would like to reassure you that the information written will only be viewed by members of staff.

Introduction to lessons

You will also find a subject booklet that has been created by the Heads of Department. In the absence of a transition week, it will help prepare you for the topics that you will study at Oasis Sholing in Year 7 and give you the first opportunity to show us your best work. We have also included a reading list, a maths watch log in and 15 mini challenges. We would like everyone to complete as much as you can and bring evidence of what you have completed with you on the first day of term. At Oasis Sholing, we feel it is important to reward all students for your effort and the progress you have made. I suggest that you complete this little and often to help you produce your best work and prevent yourself becoming overwhelmed. Certificates and rewards will be presented in the Autumn Term for work that shows you have "Strived for Excellence".

In addition to individual recognition, we will also be rewarding the tutor group with the largest number of challenges that are brought in on the first day of term.

We request that the All About Me and evidence of summer learning are returned to tutors on the first day of term in September.

Preparing for September

Within this pack I have included your personalised details to access the online payment website. This website will be used by your parents to add money to your account.

I have also included a school map to help you familiarise yourself with the school site ready for when you join us in September.

I am delighted to inform you that the first day of Year 7 will be **Monday 7th September**. Year 7 will be the only year group in school on that day to allow you to familiarise yourselves with the site. Further details regarding timings of the day will be published in due course.

Yours sincerely

Mrs Chudley
Head of Year 7

Principal – Mr M Brown
