

Mini Challenges

How many of these can you do? Can you gather some evidence of you completing these challenges?

- Can you tie a tie? How quickly can you do this?
- Plan your route to and from school to arrive at the Middle Road entrance. How long will this take you? Can you practise your route before the start of term?
- Plan a day out for your family.
- Have a tech free day.
- Label all your school uniform.
- List 3 facts about yourself.
- Can you tell the time using a clock? Can you work out the start and finish times for the school day using both the 24 hour and the 12 hour clock?
- Can you tie your shoelaces? Time how long it takes you. Can you beat your record each week?
- Take on one of the household chores for a week. What did you learn?
- Make a meal for your family.
- Make someone smile with an act of kindness.
- Do you understand how to maintain a healthy lifestyle? Can you plan some healthy meals for your family to eat and some activities for your family to follow for a week?
- Read a good book (use the reading list for inspiration) and write a review.
- Learn how to juggle.

Bring any evidence of completing these challenges with you on the first day of term.

Wearing your uniform smartly will demonstrate your tie tying skills.
