

7<sup>th</sup> July 2022

Dear parents,

I have just received from the MET Office an Alert and Readiness Weather Update for the period Wednesday 11<sup>th</sup> to Saturday 15<sup>th</sup> July. This is triggered when temperatures are forecast to be high on 2 consecutive days.

As a result, although this has not yet been predicted as a heatwave, I have made the decision that students are not required to bring their blazers or jumpers to school.

This will be effective from tomorrow Friday 8<sup>th</sup> until Friday 15<sup>th</sup> July 2022, and will be reviewed later on in the week if further response is needed.

Students of course, as they have done previously, are allowed to wear their blazers if they choose.

On Tuesday 12<sup>th</sup> July we will be hosting our annual on-site sports day for all year groups. As a result students will be expected to attend in full official school PE kit for the day. Please note no alternatives with regard to PE dress will be allowed on the day e.g hoodies, cycling shorts, crop tops etc.

It would also be welcomed if your child applies sunscreen before they leave for school.

For any student who attends without the appropriate kit, parents will be contacted to support the school and bring the required change of kit. If you have any concerns with regard to sports day please do not hesitate to contact Claire Lewis or Carl Jordan.

Can I also remind you that students need to keep hydrated and bring water bottles into school, these can be refilled on site.

Yours sincerely,

Martin Brown  
Principal
