Dear Parent,

As we are approaching the end of this half term, I wanted to update you on some key information for Year 11 as we move nearer to the February Mock Exams. The students have been busy planning for the mocks and regularly attending revision sessions after school. There is most certainly a buzz around the school and when I drop in they are all so focused and hard at work! Again, your support has been invaluable please continue as this is having such a positive effect upon the students.

Support from home

It is important that students continue their revision at home and during half term. Students will have been given revision materials to study and I would ask that you encourage your child to spend time looking at the topics they have been sent in preparation. There is also a bank of resources on TEAMS to help your child also,

Any questions please do not hesitate to ask or email me on helen.sydenham@oasisholing.org

Thank you.
