

November 2023

Dear Parents

Lifelab – University of Southampton

Year 9 students have an exciting opportunity to attend the University of Southampton Lifelab with their Science teacher between the 17th and 26th January 2024. Please see the dates below for each year 9 class.

17th Jan (Wed) – 9T1
18th Jan (Thurs) – 9S2
19th Jan (Fri) – 9T2

22nd Jan (Mon) – 9T4
23rd Jan (Tues) – 9S4
24th Jan (Wed) – 9S3
25th Jan (Thurs) – 9S1
26th Jan (Fri) – 9T3

During the day students will be able to visit the University of Southampton LifeLab at Southampton General Hospital to experience their state-of-the-art laboratory dedicated to teaching young people about improving their health and the science behind the health messaging targeted at this age group. Our students will learn from leading research professionals within their field during the trip. This trip directly links to the communicable disease topic our year 9 students complete.

Students will travel to and from the Lifelab, by coach transport departing Oasis Academy Sholing at 9am and returning to Oasis Academy Sholing for 3:00 pm.

Students will need to wear full school uniform and normal school rules will apply. Students will need to bring their own packed lunch as there will not be facilities to purchase lunch on the day. A packed lunch will be available for free school meal students.

We reserve the right to refuse a place on this trip based on your child's behaviour record. Formal consent will be sought through Evolve. There is no cost for this trip, due to funding being provided by LifeLab.

Kind regards

Dr. K. Saunders
Teacher of Science

Principal - Martin Brown
