

Dear parent,

Year 8 'Take Your Child to Work Day'
Wednesday 15th May 2024

As part of the Careers Curriculum this year, we are offering the and Year 8 students an exciting opportunity to spend a day in their parents/carers shoes, as employees of local organisations.

The aim of this day is to help the young people appreciate the relevance of their education to their future career, as well as having a very different day, mixing with people of all ages, working various hours and learning to accept some adult responsibilities. We consider this to be an important opportunity for your child to develop an understanding of the working world.

It must be emphasised that the type of work undertaken by your child is NOT designed to give them experience of a chosen career that they may have, but simply to acquaint them with the realities of work in general.

Once you have agreed a placement for the day with your employer, the attached form needs to be completed thoroughly and returned to Ms Elliott, Personalised Learning and Enterprise Manager, in College by Friday 26th April. No placements will be accepted after this date. Those students without a placement by 26th April will remain in school for the day working on Careers related activities.

Should your child wish to do this placement with another member of your family (ie Grandparent, Aunt, Uncle), please contact Ms Elliott as soon as possible, as an alternative form will need to be completed.

All employers need to confirm that they are fully aware of their responsibilities during Work Experience and that they have the relevant Insurance to cover themselves and your child. The employers will also need to comply with Health and Safety requirements. No student may take part in this day of Work Experience without the employer having signed the necessary legal documentation.

We do hope that you are as enthusiastic as we are about your child spending the day with you at your workplace.

Should you have any questions, please do not hesitate to contact Ms Elliott (Nicola.elliott@oasissholing.org).

Yours sincerely,

MS N ELLIOTT
Personalised Learning and Enterprise Manager / Work Experience Coordinator
